EASYJET TRAVEL WITH ACCOMPANIED MINORS – The rule has recently changed for these flights and we are only now permitted to travel at a ratio of 10:1 on Easyjet flights. You will also need to arrange that the minor 15 years and below is attached to the staff reference – this can be done by calling customer service naming the booker either Naomi Sadler, Michael Barker or the lead passenger Staff Member mentioned above, flight booking reference and times plus that you are our permission to add to the flight a minor. Once this is done to check in and input API details you will need to go through to Check-in – select 'No Account – Find a booking' and you will then be able to input your API info, Check-in and select seats if required. This is how it now must be done, apologies. Once the booking is full at 10:1 we will add a new booking reference if staff travel permits. Easyjet will not allow you to book a minor and have even said they will cancel bookings not with an adult (16 years and above) We may seek permission to name a 16 year old FIS athlete if required alongside our Staff member.

- * Failure to book specified flights and/or times may result in your child not making the airport transfer.
- * Whatever your travel bookings, please tell the manager what they are at mike@kandaharracing.com.
- * If you'd like your child to be accompanied, please complete the parental consent form overleaf.
- * If you have booked as an outlier you must arrange your own flights and transfer to Bormio.
