

PHOTOGRAPHIC OPT OUT FORM

Kandahar Racing recognises the need to ensure the welfare and safety of all young people in sport.

Parents/carers should be aware that photos and videos may be taken of children to enhance the coaching programme. Photos and videos may also occasionally be used for promotional and publicity purposes.

Kandahar Racing will follow the guidance for the use of photographs, which is available in our Child Protection Policy.

Kandahar Racing will take all steps to ensure these images are used solely for the purposes they are intended. If you become aware that these images are being used inappropriately you should inform the Kandahar Racing Manager or GBS Lead Welfare Officer immediately.

Kandahar Racing recognises that it is almost impossible to prevent all taking of photographs and videos with the availability of mobile phones and small cameras. We will however to the best of our ability endeavor to prevent photographs, video or other images of young people being taken if parents/carers of children have signed this opt out form and asked not to be photographed.

If you would like to prevent photographs and videos of your child being taken by Kandahar Racing please sign and date this opt out form and return it to the manager at mike@kandaharracing.com.

I, (parent/carer) ask that Kandahar Racing do not take photos or videos of my child.
